Portfolio:eswardev-production.up.railway.app| LinkedIn:linkedin.com/in/eswar-maguluri-ba0625394

Professional Summary:

Entry-level Software Engineer and Full-Stack Developer with hands-on experience in building and deploying Django-based web applications. Proficient in Python, REST APIs, MySQL/PostgreSQL, and front-end technologies. Experienced in authentication, payment integration, and production deployment. Seeking an entry-level developer role to contribute to scalable software solutions.

Technical Skills:

Languages**:** Python, Java
Backend**:** Django, REST APIs, Authentication
Frontend**:** HTML, CSS, JavaScript, Bootstrap, React
Databases**:** PostgreSQL, MySQL
Tools**:** Git, GitHub, Stripe, Railway, Gunicorn, Whitenoise
CS Fundamentals**:** Data Structures, Algorithms, OOP, Operating Systems, DBMS

Projects:

Eswar_dev – Personal Portfolio Website (Live)
• Designed and developed a responsive personal portfolio to showcase projects, skills, and certifications.
• Built using Django with environment-based configuration for secure production deployment.
• Deployed on Railway using Gunicorn and Whitenoise for static file management.
• Tech Stack: Python, Django, HTML, CSS, JavaScript, Git
• GitHub: https://github.com/eswar2627/Eswar_dev

Prime Store – Full Stack E-Commerce Application
• Built an e-commerce platform with authentication, cart, orders, and Stripe payment integration.
• Implemented admin dashboard with sales analytics and order management.
• Applied role-based access control for admin and customer users.
• Tech Stack: Python, Django, MySQL, HTML, CSS, JavaScript, Stripe
• GitHub: https://github.com/eswar2627/Prime-Store

FoodPlaza – Food Delivery Web Application
• Developed dynamic menu, order tracking, and payment gateway integration.
• Designed admin panel for order, menu management
• Focused on clean UI and seamless user experience
• Tech Stack: Python, Django, MySQL, HTML, CSS, JavaScript
• GitHub: https://github.com/eswar2627/FoodPlaza

Internship:

Python Full Stack **– ExcelR EdTech**

• Built and contributed to dynamic web modules using Python, Django, MySQL during a full–stack internship.

• Gained hands-on experience in backend development, database integration, and project workflows.

Achievements:
• Cleared TCS CodeVita Entry-Level Round.
• Selected participant in UST Global D3CODE competitive coding event.

Education:

Bachelor of Science in Computer Science
JKC College, Acharya Nagarjuna University
Expected Graduation: April 2026 | CGPA: 7.0 / 10

Certifications:

• Python Programming Fundamentals – **Infosys Springboard**

• Python Full Stack Intern – **ExcelR**

• Introduction to Software Engineering – **IBM (Coursera)**

Soft Skills:

• Problem Solving, Communication, Teamwork, Self-learning
